

THE COLLEGE OF
VETERINARIANS
OF ONTARIO

OUR BRAND PROMISE

The College of Veterinarians of Ontario (CVO) protects and serves the public interest through the regulation of the practice of veterinary medicine in Ontario. The College guides and governs the veterinary profession and inspires safety and quality in collaboration with the profession and the public.

In serving the public, the College seeks to understand the risks involved in the practice of veterinary medicine and collaborates with partners to develop solutions which reduce the potential for harm to animals and people.

OUR VISION

Instilling public confidence in veterinary regulation

OUR COMMITMENT

The CVO is committed to upholding the highest standards in all of our activities

- We protect the public's interest in safe veterinary care by supporting access to quality veterinary medicine by licensed veterinarians from accredited facilities.
- We strive to provide leadership, fairness and innovation in the regulation of veterinary medicine.
- We are committed to earning and maintaining the trust of the public and of licensed veterinarians.
- We consult and collaborate with the public and licensed veterinarians in efforts to ensure policies and decisions deliver optimal results.
- We endeavour to provide licensed veterinarians with relevant programs and resources in support of excellence in the veterinary profession.
- We embrace diversity, equity and inclusion as fundamental to the full and meaningful participation of the public and licensed veterinarians in the College's mandate.
- We conduct our activities in an open and transparent manner.
- We uphold our service commitment and actively promote a culture that exceeds expectations.
- We strive to collaborate with organizations to achieve common goals and objectives.
